Profile: Co-Founder organicfood.vn | EIV Education| Volunteer For Education| TheorganiKcoffee.vn I VietnamTeachingJobs.com
At organicfood.vn, our team champions sustainable agriculture, contributing to the organic movement's evolution in HCMC. With over a decade of commitment, we've fostered a community where eco-conscious living is valued and appreciated. Our strategic market research and innovative marketing tactics have been fundamental in deeply engaging with our customers and stakeholders.

Proficiency in English and a comprehensive understanding of organic market dynamics have been instrumental in positioning OrganicFood.vn as a leader in Vietnam's eco-friendly food sector. Alongside this, my role in Volunteer For Education demonstrates a passion for social entrepreneurship, leveraging educational initiatives for positive change.
